The individual campaign

The Individual Campaign allows you to create a campaign just for you. Once created, you can share it with your friends and family so they can encourage you with your fundraising campaign.

You can set a campaign goal. The minimum amount you must raise to participate in our Bike Challenge corresponds to your total participation according to your category (early, fast-paced, late). This amount must include the \$100 registration fee.

You can enter the participant's information. If it's the same person as the buyer, you can click the appropriate box.

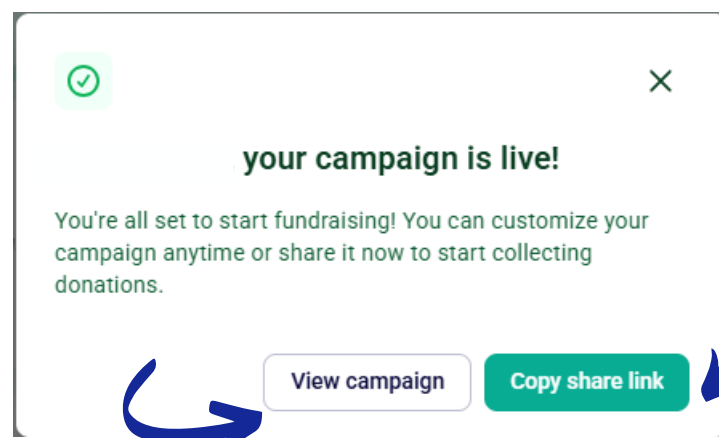

If you wish, you can add a profile photo to your campaign. Your profile will appear on our event's website along with all other registered cyclists.

The form contains the following fields and options:

- Campaign target CAS
- ☐ Same personal information as buyer
- Email
-
- First name
- Last name

You will be able to customize your campaign form on Zeffy: photo, presentation text, etc.

The modal contains the following text and buttons:

- ✓
- ✕
- your campaign is live!**
- You're all set to start fundraising! You can customize your campaign anytime or share it now to start collecting donations.
-
-

Once your campaign is created, Zeffy will generate a link that you can share with your contacts by email or on your social networks

The Team Campaign

Team campaigns may be easier for some. In addition to being more motivating for participants, funds raised are counted per team. So, for a team of three people participating for both days, you'll need to calculate three times the total amount based on the rate (early, regular, or late).

You can create a team, set your goal, and add a profile picture for your team.

This is your team campaign objective.

If you are the person creating the team, then click on the **I want to join** the team box to fill in your personal section and create your individual profile.

This is your individual campaign objective. You will need to confirm which team you are joining.

Your Campaign is launched!

Once your campaign is created with Zeffy, your name, your team's name, and your campaign total will appear on the event page on our website, and people will be able to track the progress of all cyclists' campaigns.

You can track the progress of your campaign, your team's, and the overall campaign.

Hello (NAME),

The creation of the campaign (CAMPAIGN NAME) has been successfully registered.

You can now collect donations for La Maison des greffés Lina Cyr by sharing the following fundraising page:

Here's a message from the organizers:

Thank you for participating in the 20th edition of our Lina Cyr Maison des greffés Bike Challenge!

For this event, which will take place on July 10 and 11, 2026, you must raise a minimum amount, depending on your registration category, to cover your participation costs for both days, or a minimum of \$600 for one-day participation. Of course, your \$100 registration fee is non-refundable, but will be taken into account when determining the final amount.

You can also access your event page via the email sent by Zeffy and customize your form by activating your account.

The "Your Fundraising Page" link will take you directly to your personal campaign page, whether you're part of a team or not.

The screenshot shows the Zeffy fundraising interface. At the top right, there are two buttons: 'Retour au tableau de bord' and 'Partager la campagne', with the latter circled in blue. Below the header, the page is divided into two main sections. The left section, titled 'Collecteur de fonds', displays a progress bar showing '100 \$ sur un objectif de 2 000 \$' with a 5% completion rate. It includes a link to 'SVP lisez attentivement la description afin de prendre connaissance de nos changements' and a 'Plus de détails' button. The right section, titled 'Choisir un montant:', offers four donation options: 25 \$, 50 \$, 75 \$ (selected), and 100 \$. Below these, it shows '\$ 75' and a confirmation message: 'Vous recevrez un reçu fiscal pour votre don.' A green button at the bottom right says 'Aller au paiement ->'. The footer includes a 'Je veux m'inscrire et aider à collecter des fonds' section with a 'S'inscrire et collecter des fonds' button.

Share your campaign

Finally, by creating your account, you will access your dashboard. In your campaigns, select “Edit” (you can also modify your campaign settings here).

The image shows a screenshot of the Zeffy dashboard. On the left, a sidebar contains the Zeffy logo, the text "Member since November 2022", and links for "My transactions" and "My campaigns". The main area is titled "Campaigns" and contains a table with columns: Date, Organization, Main campaign, and Campaign. The table lists a campaign titled "Maison des greffés Lina Cyr Bike Challenge 2026" with a date of "16 Sep 12:27 PM" and organization "La Maison des greffés Lina Cyr". An "Edit" button is circled in the Campaign column. Below the table, a "Go to dashboard" button is on the left, and "Share my campaign", "View my campaign", and "Save" buttons are on the right. A progress bar shows four steps: General information (active), Customization, Advanced settings, and Translations. A large blue arrow points from the "Share my campaign" button to a modal window. The modal has a purple header with the text "The most successful campaigns are shared early and often." and a close button. It contains a text input field with the URL "https://www.zeffy.com/en-CA/fundraising/", a "Copy link" button, and social media icons for Facebook, Messenger, and Email. Below the modal, three options are listed: "Send invitation email" (marked as Recommended), "QR code", and "Embed on your website", each with a brief description and a right-pointing arrow.

Important

Please note that all remaining funds for your fundraising campaign must be paid before the start of the Bike Challenge. You will have the option to pay the remaining funds upon departure from Beloeil. The \$100 registration fee will be included in your campaign, whether you are an individual or a team member.

We also recommend registering early to facilitate fundraising. Otherwise, we keep a record of all your donations. If in doubt, call us! We will be happy to assist you.
