Benefit Gala for the Maison des greffés Lina Cyr

Under the theme of solidarity and the future, the Maison des greffés Lina Cyr is preparing a grand benefit gala as part of its emergency campaign to finance major renovations. This exceptional event will bring together generosity, elegance, and commitment for a vital cause: supporting transplant recipients and their families.

An Unforgettable Evening

More than 300 top business leaders, philanthropists, and members of the medical community will be invited to share a moment filled with gratitude and emotion, celebrating life in all its splendor and fragility. A refined welcome cocktail, a gourmet meal, and captivating artistic performances by surprise artists, including Bruno Pelletier, will be offered.

On the program:

- A welcome cocktail
- A performance by Bruno Pelletier accompanied by renowned artists
- A three-course gourmet meal
- A silent auction
- And much more...

Virtual opening to our community

The Maison des greffés Lina Cyr exists for transplant recipients and was founded by a transplant recipient, Lina Cyr. Its large and loyal community is a central pillar in the continuation of its mission. As a token of appreciation, residents will be offered exclusive virtual access to the event for the symbolic price of \$35.

Become a partner of our gala to...

- Increase your company's visibility among a loyal and engaged audience within the healthcare sector.
- Strengthen your brand image by associating yourself with a noble cause that is essential to many Quebec families.
- Create networking opportunities with other leaders from various sectors.
- Ensure the sustainability of the activities of the Maison des greffés Lina Cyr.
- Receive a partial charitable donation receipt.

Where will the funds go?

The funds raised will support the Maison des greffés Lina Cyr in financing its major renovations to the façade. This will allow it to continue its mission: to offer warm accommodation, compassionate support, and services tailored to transplant recipients and their families at a reduced rate. Every ticket sold, every donation, every gesture of support will contribute to the well-being of those facing a life-threatening medical challenge.

Testimony of Jean-Carmel Noël, liver transplant recipient

The Maison des greffés is practically like a resort for transplant recipients, offering impeccable and essential frontline services. You don't have to worry about cooking or cleaning. The only thing you have to take care of is yourself. You're comfortable, you want for nothing. The staff is kind and smiling, from the service employees to the management. You're a great team! I've also become friends with the other residents who are in the same situation as me.
